WAQFE NAU CLASS SEPT. 17, 2011

(Week 24 of 1st six monthly syllabus Age Group 10-14)

Extract from *Haazur Ayyadahullah Ta'la Binisrihil Aziz's* Friday Sermon delivered on Sept. 16, 11

The Promised Messiah (on whom be peace) said that it is precarious even if piety and Taqwa get stagnant in a person because this leads to downward slope. Thus, Hudhur said our men, women, children, elders and youngsters should be concerned about that enemy within which stops from enhancing in Taqwa. The Promised Messiah (on whom be peace) said that we should not be concerned by the external opposition but should focus on enhancing in Taqwa and purity. God

Himself would deal with the opponents. As it is stated in the Qur'an: **إِنَّ اللَّهَ مَعَ الَّذِينَ اتَّقَوْا وَالَّذِينَ هُمْ مُحْسِنُونَ** 'Verily, Allah is

with those who are righteous and those who do good.' (16:129) Hudhur explained that if we enhance in piety the enemy cannot harm us in any way. This is what our 125 year history tells us. The enemy has taken the lives of a few of our dear ones; indeed, he has also pillaged our property. In return, those of us who departed this world have found eternal life of God's pleasure and God has also made up for the financial loss on individual level. Hudhur said many in the congregation before him were witness to this. God has also blessed us on a communal level in return for the sacrifices in an immeasurable way. Thus, our concern should not be about the scheming of the opponents, but about any lack of Taqwa to attain God's pleasure. Our prayers will attract God's grace if we have a strong connection with Him, whereas He will contend with the opponent Himself as indeed He has been doing. Hudhur said our opposition is not limited to local level; rather it is carried out via newspapers and TV channels all over the world. But it becomes a source of introduction for us. (Full sermon must be read or viewed by all the Waqfeen Nau and their parents)

73. And remember the time when you killed¹⁰⁹ a person^{109A} and differed among yourselves about it, and Allāh would bring to light what you were hiding.^{109B}

74. Then We said, ‘Compare¹¹⁰ this incident with some other similar ones’ and you will discover the truth. Thus does Allāh give life to the dead^{110A} and show you His Signs that you may understand.

75. Then your hearts became hardened¹¹¹ after that, till they were like stones or harder still; for of stones indeed there are some out of which gush forth streams, and of them there are some out of which flows water when they cleave asunder. And indeed of them there are some that humble themselves for fear of Allāh. And Allāh is not unmindful of what you do.¹¹²

وَاذْ قَتَلْتُمْ نَفْسًا فَادْرَأْتُمْ فِيهَا
